Welcome to Term One of 2026 at Eastwood Community Centre!

A new year brings fresh energy, new ideas, and renewed opportunities to connect - and we're delighted to welcome you to **Term One at Eastwood Community Centre**.

As we step into 2026, our Centre continues to be a place of belonging, learning, and connection for people of all ages and backgrounds. From creative arts and lifelong learning to health, wellbeing, and community support, our programs are designed to help you build skills, confidence, friendships, and a strong sense of community.

This term, we're proud to again offer a vibrant mix of Adult Community Education programs, creative workshops, cooking experiences, fitness classes, support groups, and family-friendly activities. Whether you're looking to try something new, explore pathways to work or business, improve your wellbeing, or simply connect with others, there's something here for you.

For families, our much-loved **Little Garden Explorers Playgroup** continues to grow. Due to its popularity, we're pleased to offer **two weekly sessions**, providing more opportunities for young children and their parents or carers to play, explore nature, and build connections in a welcoming environment.

We're also delighted to offer our **Garden Room and Centre Garden for hire**, making it a perfect setting for **children's birthday parties and small family celebrations**. With indoor and outdoor space, it's a relaxed, friendly option for creating special memories close to home.

At Eastwood, we believe strong communities are built through shared experiences, learning together, and supporting one another. We warmly welcome new participants and look forward to reconnecting with familiar faces as we begin another exciting year.

Thank you for being part of our community - we can't wait to see you at the Centre.
